

I am writing on behalf of K-LOVE (106.7 Raleigh) to state my objection to LPFM and there possible affect on FM Translator service. I enjoy K-LOVE for my daily listening. I get my news from there also. I know many people who listen and enjoy this station. It has a positive effect on the community with all family friendly programing. I also donate money to the station to help with operating expenses and I would be upset if my station (106.7 Raliegh) was displaced by a LPFM. Thank you for your time.
